RE: Lincoln County Food Service Sanitation Regulations

Dear Lincoln County Food Service Establishment:

On October 18, 2011, the Lincoln County Commissioner's signed into law a revision to the Lincoln County Food Service Sanitation Regulations Ordinance 3-23-1998. On January 1, 2012, all food service establishments will be required to abide by the revised Lincoln County Food Service Sanitation Regulations Ordinance 10-18-2011. This letter is informing you of this change.

The Lincoln County Health Department will be holding an informational meeting on November 7, 2011 at 6:00-7:00pm in the Conference Room. It is highly encouraged for you to attend and clarify any questions you may have regarding this change. The Lincoln County Food Service Sanitation Regulations was updated from the 1997 FDA Food Code to the 2009 FDA Food Code with the addition to Chapter 9: Permits, Fees and Exemptions. A copy of Chapter 9 is enclosed for your review. This update allows Lincoln County to be current with the Missouri Department of Health and Senior Services.

Sometime in late November or early December 2011; an application and invoice will be mailed to you for your 2012 license. Each food service establishment will be given; free of charge, a copy of the Lincoln County Food Service Sanitation Regulations. Additional copies are available for a charge of \$20.00.

**It is your responsibility to know and understand the rules governing your food service establishment and to comply with them. Failure to comply may be punishable by fines and/or prosecution.**

Please contact our office with any questions and or concerns you may have regarding this change in the Food Code. I look forward to working with you.

Sincerely,

Stacy Taylor  
Environmental Public Health Specialist
