LINCOLN COUNTY HEALTH DEPARTMENT

December 8, 2016

FOR IMMEDIATE RELEASE

Temperatures this week are expected to fall as low as 13 degrees. If you need a place to warm up, please go to a warming center. Daytime warming centers in Lincoln County include Winfield Foley Fire Protection District, Lincoln County Council on Aging, Lincoln County Fire Protection District, and Winco Senior Center. For nights when overnight temperatures are predicted to be below 20 degrees F, please call hotline number (636) 395-0492. Please be advised that warming centers are for temporary relief while temperatures are low. If you need more information, please call Lincoln County Health Department at (636) 528-6117.
